## Addresses Use Life Path Cards

The vibration a residence emits gives insight into the feeling you have when living in or visiting an address. Whether you have lived at the address for a long time, looking at prospective new addresses, or doing the numerology for the addresses of family or friends, the numbers will give additional information in your quest in understanding numerology.

### EXAMPLE

**275 S. Main Street Apt. 7B**

Specific to this address is the 275 and the 7B.

Using the Pythagorean Letters To Numbers Chart, the B in the apartment number would be a 2.

$$2+7+5+7+2+=23 \quad 2+3= 5$$

The address reduces to a # 5.

Take into consideration, when reading the card, this is the vibration of the house.

Do not reduce 11 or 22  
(Master Numbers)

## Phone Numbers Use Life Path Cards

Analyzing phone numbers is quite simple. Using only the last 4 digits in the number, these numbers are specific to you. Area codes and prefixes are not included.

### EXAMPLE

**555-555-1234**

$$1+2+3+4= 10 \quad 1+0= 1$$

This would be a # 1 phone.

This is the vibration your phone number emits.

It represents a feeling one might have when receiving or calling your number.

Do not reduce 11 or 22  
(Master Numbers)
